

Environmental Policy Document

Here at Intuitive Business Intelligence, we are aware of our social responsibilities when it comes to the environment. Our objective is to provide a quality of service that ensures a safe and healthy workplace for our employees and minimises our potential impact on the environment. We will operate in compliance with all relevant environmental legislation, and we will strive to keep environmental impact at the forefront of our company.

Our policy therefore, is to:

- Integrate the consideration of environmental concerns and impacts into our decision making and activities.
- Minimise our waste and then reuse or recycle as much of it as possible.
- Minimise energy and water use within our organisation and processes in order to conserve supplies and minimise the consumption of natural resources.
- As far as is possible, purchase products and services that do the least damage to the environment.
- Train, educate and inform our employees about environmental issues that may affect their work.
- Promote environmental awareness among our employees and encourage them to work in an environmentally responsible manner.
- Always inform partners about the environmental effect that printing has.
- Communicate our environmental commitment to clients, customers and the public and encourage them to support it.
- Where required by legislation or where significant health, safety or environmental hazards exist, develop and maintain appropriate emergency and spill response programmes.
- We will encourage the adoption of similar principles by our suppliers.
